

# Windsor Oaks Board News April 2020

The Board of Directors in keeping with the **“Stay at Home Orders”** of Mecklenburg County and the State of North Carolina will not hold any face to face meetings until further notice.

The Chairperson of the Clubhouse and the Board decided that the **“exercise room” will be closed during the pandemic due to sanitary reasons.**

**The library room will remain opened but please closely follow the instructions of the Centers for Disease Control on how to eliminate droplets which may be on all material types (using Clorox wipes on everything you touch and hand washing). Remember you could be exposing yourself to a deadly virus so think before you act.**

Major pruning of shrubs will continue. Shrubs will be pruned extremely short, but they will rejuvenate quickly. Please remove all objects from your limited common area as they possibly could be damaged without compensation for the damage. **Please do not engage in any type of contact with the workers.**

**The Landscaping Committee is still reviewing and revising the Rules & Regulations which will be enforced.**

**Garbage collection – all garbage must be bagged and put inside the can for pickup. The employee of Waste Management is not suppose to take garbage not in the can.**

The Board will meet via electronic or telephonic venues. Minutes of the Board meeting will be posted on our website ASAP [www.windsoroakscharlotte.com](http://www.windsoroakscharlotte.com) .

**Board of Directors**
