

# Windsor Oaks Board News June 2020

The State of North Carolina has issued new guidelines for gatherings indoors. We can now have up to 10 people in the clubhouse at one time. **Social distancing and/or wearing a mask is required.**

The pool guidelines are not as straight forward. The formula allows 50% of occupancy and that means **10** people are allowed at the pool at one time.

## **Because of the Covid-19 rules we have taken the following steps:**

**We removed all the furniture except for 6 lounge chairs. You may bring a chair.**

**Hand soap and sanitizer will be in the bathrooms and around the pool.**

**As you leave the pool please use the sanitizing spray on the lounge chairs. Do not dry them.**

**You may bring food and drinks. NO GLASS.**

## **PLEASE PRACTICING SOCIAL DISTANCING**

We have taken these steps so that those who would like to use the pool and **clubhouse can do so but caution you to do this at your own risk.** You must take precautions that are best for you.

Exercise classes will start either in the clubhouse or pool (your choice) Monday June 8, 2020 at 9:30 am.

**YOUR POOL WILL OPEN JUNE 6, 2020**

**Do NOT move the chairs/loungers in the pool area in order to maintain the proper distancing.**

**The “exercise room” will remain closed.**

**Please closely follow the instructions of the Centers for Disease Control on how to eliminate droplets which may be on all material types (using Clorox wipes or sanitizing spray on everything you touch and hand washing). Remember you could be exposing yourself to a deadly virus so think before you act.**

**Garbage collection – all garbage must be bagged and put inside the can for pickup. The employee of Waste Management is not to take garbage not in the can.**

**We are pleased to welcome back Mike Ferry from his leave of absence and he will resume his position of Chair of the Architectural Management Committee as of June 1.**
