

POOL AND CLUBHOUSE COMMITTEE MEETING
MAY 20, 2020 – 11:00 a.m.

Present: Mary Fehrs, Sandy Fischer, Charles Patterson, Dave Davidson, Julie Thomley, and Mary Wintzer

Meeting was called to order at 11:00 a.m. at the Clubhouse.

Minutes of March 11th were approved, and a signed copy was given to Mary Fehrs to submit to the Board. Sandy will send a copy to Charles Talley for him to send to the management company.

OLD BUSINESS –

Memorial Day/Pancake Breakfast – Monday, May 25, 2020 – Cancelled. A blast will be sent out to inform residents that there will be no Pancake Breakfast at this time. Possibly a July 4th party, but nothing definite.

NEW BUSINESS -

The geese have found our pool again, but a new Coyote will be guarding the pool and keeping the geese away. Wheels have been purchased for the 12 chairs at the Clubhouse and Robert will install them. New chairs will not be bought at this time.

A new clock for the pool area will be purchased.

Trash dates for the rest of the year will be decided at the June meeting.

Inspections – flag light is working, pest control was here, exit signs not working, need to be checked.

Pool – Trident – A notice was given to us on COVID-19 regarding pool openings. The Board is meeting tomorrow and Mary will attend to see about when the pool and clubhouse can be opened. The information from Trident states that no pool furniture should be set out, bathrooms must be cleaned often, etc. The pool company is supposed to clean the bathrooms every day when they do the pool, we will have to check with them. Furniture is another story, the heat from the sun *should* clear any germs. When we find out what we need to do, we will handle it.

Meeting adjourned at 11:40 a.m.

Respectfully submitted,

Sandy Fischer, Secretary

Mary Fehrs, Chairman

Next meeting: **Wednesday, June 10, 2020 at 9:00 a.m.**

Trash Schedule – June-CharlesP,

TBD – July, August, September, October, November, December
