

Windsor Oaks Board News AUGUST 2020

Please continue to practice physical/social distancing and closely follow the instructions of the Centers for Disease Control on how to eliminate droplets which may be on all material types (using Clorox wipes or sanitizing spray on everything you touch and hand washing). Remember you could be exposing yourself to a deadly virus so think before you act. The “exercise room” remains closed.

Gutters will be cleaned this month watch for an email with the cleaning schedule.

The Board is working on the 2021 budget.

The irrigation heads that were broken have all been fixed/replaced. Additional Crepe Myrtle are to be trimmed by month end.

Please review your Green Book before making any alterations/replacements to your HVAC system or any landscaping.

Please do not leave light weight objects (folding chairs and tray tables, etc.) outside at night as they become missiles with strong winds.

Demographics:	July 28, 2020
