Meeting was called to order at 9:00 a.m. at the Clubhouse.

Minutes of May 20th were approved, and a signed copy was given to Mary Fehrs to submit to the Board. Sandy will send a copy to Charles Talley for him to send to the management company.

Charles Talley will get back to us about whether he will be the liaison between the P&C committee and the Board.

**POOL -**

The pool is open. Water aerobics started on Monday, 6/8, and volleyball starts today, 6/10. The noodles have been locked away, bring your own if you want to have one.

A resident said that it is hard for seniors to sit on the lounge chairs, so 2 upright chairs have been added to the pool area.

The overhang area at the pool has been cleaned up, as was the side of the pool from all the droppings of the tall trees.

Mary will check the pool company contract about the frequency of the cleaning of the restrooms.

**LIBRARY –**

Kathy Lowell is the new Librarian. Books placed in the basket will be put away by Kathy.

**CLUBHOUSE -**

Robert Waddell will be fixing a few things at the Clubhouse: 1) water fountain, 2) exit sign battery, and 3) putting wheels on the wooden chairs.
