

## **Windsor Oaks Board News October 2020**

**People who have reported issues with gutters, the maintenance will be done the week of October 19.**

**The Board approved changes to the existing Landscaping Rules and Regulations (R&Rs) which will become effective January 2021. Additional information concerning the changes will be coming out in late November.**

**The Board met with Waste Pro Management about the issues with garbage collection and recycling.**

**The Board approved wearing of facial covers and social distancing requirements for the clubhouse.**

**Reminder - all trash must be bagged and in the can.**

**Review your Green Book before making any changes.**

**Do not leave light weight objects outside during strong winds.**

**Continue to practice physical/social distancing and closely follow the instructions of the Centers for Disease Control on how to eliminate droplets which may be on all material types (use Clorox wipes or sanitizing spray on everything you touch and wash your hands often). Remember you could be exposing yourself to a deadly virus so think before you act.**
