Wednesday, January 13, 2021 – 9:00 a.m.

Present: Mary Fehrs, Sandy Fischer, Dave Davidson, Julie Thomley, and Mary Wintzer
Absent: Charles Patterson and Charles Talley, liaison to Board

Meeting was called to order at 9:10 a.m. at the Clubhouse.

Minutes of the November 11, 2020 meeting have been approved and given to the Board.

TriDent will do the sand in the pool - \$650
Electrical Safety Inspection – amount TBD
Heater Line - \$390
Pool shower leak to be fixed
Fire Extinguisher – to be inspected in February

Drapes have not been picked up yet – Julie will be checking with the Crisis Assistance League. Someone else might have a place for them. Whoever comes first!

Pictures have been put back up on the walls.

Table pads need to be removed and cleaned, along with the tables underneath.

Exercise group asked to have a table leaf removed from one of the tables. Approved by Committee.

Mary Fehrs is informing the Board that she is resigning from her position of Chairperson of the P&C Committee. A replacement will have to be found. So sorry to see Mary leave, she has been a great “leader”, but will stay on the Committee.

Robert will be given a list of things to fix in the Clubhouse, including the ceiling where there was a leak.

Need to check the green book to see if our request was made for the Board to add “free clubhouse use to family of resident who passes away”.
