

Windsor Oaks Board News

JANUARY 2021

HAPPY NEW YEAR TO ALL AND WE HOPE EVERYONE IS STAYING SAFE AS COVID-19 CONTINUES INTO THE NEW YEAR. BELOW ARE A FEW REMINDERS FOR ALL OWNERS.

January is Termite Inspection Month. Thomas Pest Control will do in-home inspection January 21- 29. You will receive a schedule covering date and time when they will be at your home. Please follow the instruction on the schedule.

March is Board election Month. Due to the continuation of Covid-19 the Board will be working with Cedar Management to set up a Virtual Meeting. Please look for a notification letter with instructions during February from Cedar Management.

The Board and all committee within the HOA are in desperate need of volunteers. Please think about helping your community.

Due to issues with postal delivery during the months of November and December of 2020, deliveries of owner's checks for payment of HOA dues may have arrived late. Please check your account on the Portal with Cedar Management.

Just a reminder, that once every four years the AMC Committee schedules a dryer vent inspection. This will occur in April of this year, so keep an eye out for the schedule and instructions you will be receiving.

The Board is aware of issues we have been having with the Trash pickup company who bought out our previous company. The Board and Cedar Management are working to resolve the issues, so please bear with us.
